We've moved! View our new website!

We're excited to share some big news - we've officially launched our new website! You can now find us at eappropertyservices.com where we've created a cleaner, faster, and more user-friendly experience.

Whether you're looking for property or land surveys, architectural design, engineering services, or simply just want to stay up to date with what we're working on, our new site makes it easier than ever. Visit the site here!

Did You Know?

Cracks in walls aren't always cosmetic - some indicate structural issues or subsidence based issues that can worsen over time. If you notice cracks that grow quickly or are wider than 5mm, contact a structural engineer today on 01206 768556.

● Quality Business Awards

We're thrilled to announce that EAP Property Services Group has been awarded the Quality Business Award for Best Home Inspectors 2025!

This recognition highlights our ongoing commitment to excellence, integrity, and customer satisfaction in every project we undertake.

Winning this award is a proud moment for our entire team, as it reflects not only the quality of our home inspection services but also the trust and satisfaction of our clients.

Thank you for being part of our journey. Here's to another year of excellence, integrity, and quality service.
